CHAPTER 3-300 – APPEAL

Sec. 301: APPEAL OF ADMINISTRATIVE DISPOSITION

Appeals to the DAC must meet one of the following criteria:

- a. Established administrative procedures were not followed that would have a significant impact on the outcome of the investigation.
- b. New evidence that was not available or could not have been discovered through diligent investigation before or during the investigation that merits or warrants reevaluation of the case and that would have significant impact on the outcome of the hearing
- c. The sanction(s) imposed were clearly disproportionate to the violation found. This criterion is only considered in cases where the sanction is suspension or expulsion.

The initiator (complainant) or the person charged (respondent) with the violation has the right to appeal penalties listed under the Procedure on Disciplinary Due Process to the DAC. The initiator also has the right to appeal the decision of the ACO to dismiss the allegation. The request for an appellate hearing before the DAC must be filed in the office of the Vice President for Student Services within seven (7) business days after the accused student has been informed of the decision of the ACO. The DAC must consider the appeal within seven (7) business days after the filing date.

The DAC shall have as its members:

The Committee Chair: chairperson of the Student Services Committee

Three Faculty Members: a counselor; a faculty member from the Student Services Committee; and a faculty member chosen by the chairperson of the DAC

One Staff Member: a staff member chosen by the chairperson of the DAC

A quorum consists of two faculty members, one whom should be a counselor, one staff member and the chairperson of the DAC or his /her designee of another member of the DAC. If there is a failure to obtain a quorum, the chairperson shall appoint an interim from the Student Services Committee or another institutional committee. The chairperson of the DAC has the authority to further modify the composition of the DAC if there are extenuating circumstances.

All members of the Disciplinary Appeal Committee will have voting privileges except the chairperson, who will vote only in case of a tie.

Members of the DAC will be trained in Sandburg disciplinary process and in Title IX.

The hearing shall be recorded.

The chairperson of the DAC will be responsible for all communications with the student filing the appeal, will serve as presiding officer during the hearing, and will ensure that fair and just consideration is provided.

The complainant and respondent may not be compelled to testify in the presence of the other party. If a party invokes this right, the College shall provide a procedure by which each party, at a minimum, hears the other party's testimony.

The chairperson of the DAC shall resolve any procedural questions or objections as may arise in the course of the hearing.

The DAC has the power to sustain, overrule, or modify the decision of the ACO. The chairperson of the DAC must notify the student in writing of the decision of the DAC within three (3) business school days after the decision of the DAC. The complainant and the respondent will be notified simultaneously of the decision of the DAC.

The decision of the DAC is final.

Sec. 302: FAVORABLE DECISION

A student who received a favorable decision shall be permitted to make up class work required for satisfactory completion of a course or courses commenced prior to the beginning of the disciplinary process.
