

College of Nursing & Health Professions  
Medical Assistant – Selection Criteria & Points

The Medical Assistant Program has limited enrollment and a selection process for admission into the program. After all eligibility requirements for placement into the selection pool have been satisfied and applicant has applied online for the Medical Assistant Program, the following point system will be utilized for selection into the program. The maximum number of points is 15. Applicants will be ranked according to their total points. In the event of a tie, the selection will be based on – the point system and application date. In the event of a tie, the selection will be based on – the point system and application date.
