

**College of Nursing & Health Professions  
Practical Nursing Program – Admission Selection Criteria & Points**

The Practical Nursing Program has limited enrollment and a selection process for admission into the program. After all eligibility requirements for placement into the selection pool have been satisfied and applicant has applied online for the Practical Nursing Program, the following point system will be utilized for selection into the program. The maximum number of points is 30. Conditional admission is offered to the top scorers in ranking order in each college district based on seats available. All other applicants are placed on an alternate list in ranking order.
