

# KIDS ON CAMPUS SCHOLARSHIP APPLICATION

CARL  
SANDBURG  
COLLEGE™

Workforce Development & Community Education

## INFORMATION

With the generous support of individuals and businesses through the Carl Sandburg College Foundation, we are pleased to offer a limited number of scholarships for kids on campus programs.

Please return the completed application and required documentation to Carl Sandburg College Workforce Development & Community Education.

### Drop-off / Mail

Carl Sandburg College  
Attn: Workforce Development & Community Education  
2400 Tom L. Wilson Blvd, Galesburg, IL 61401

### E-mail

community@sandburg.edu

- Please contact 309.345.3501 with any questions.

### Important

**Before you submit this application, please read below:**

- Scholarships are reviewed & awarded on a first-come, first-served basis.
- A full application packet consisting of the scholarship application with essay, free/reduced lunch documentation, and the program registration information must be completed in full and submitted by **May 26th**.
- Incomplete applications will not be reviewed.
- Applicants must meet income eligibility requirements, which includes documentation of participation in the **free/reduced lunch program or SNAP** through the child's school. Income eligibility requirements can be reviewed on the ISBE website at: <https://www.isbe.net/Documents/IEG-23.pdf>
- Awards are subject to fund availability. Notification regarding any requests that cannot be accommodated will be provided before the class start date.
- For any costs that is not covered by the scholarship, please contact the College to make a payment or to cancel the registration no later than 2 business days prior to the program start date.
- Each award will NOT exceed \$120 per student during the summer 2023 term.

## SESSION INFO

### Manners Camp CKI.C19.600 \*Etiquette Lunch 12-1 PM **Grade 1-5**

Don't Slurp Your Spaghetti! Learn how to enjoy your favorite food with style and grace. Join us for a fun-filled adventure with valuable life skills that will impress your family and friends.

### Problem Solving & Application CKL.C13.600 **Grade 8-12**

Does the term "herding cats" sound a little too familiar? Learn critical thinking, problem solving strategies and teamwork working through challenges both mental and physical.

### I Survived the Titanic CKI.C22.600 **Grade 3-6**

All aboard the Titanic for its doomed 1912 voyage across the Atlantic Ocean. Learn from a boarding pass with a real Titanic Passenger's info. Let's find out what made Titanic "unsinkable." You will explore the science behind the sinking and what cause this tragedy.

### Yoga/Mindfulness CKP.C16.600 **Grade 3-6**

Discover the peace! Unwind with calming poses that help you feel grounded and present. Create a beautiful nature mandala and a calming box to take home. Join us and find your inner balance!

### Money Smart CKI.C20.600/601 **Grade 8-12/3-7**

How to win at life, at least financially. Let's go on a humorous journey through the minefields of handling money and the many ways people and organizations will try to take your hard-earned cash! For younger students, games and stories are used to teach how money works!

### Coding CKC.C00.600/601/602 **Grade K-5/6-8/9-12**

Grasp the basics of computer science principles and coding using code.org as our guide. Understand how computers communicate, participate in plugged and unplugged lessons, and get an introduction to coding!

### Welding WEL.C13.600/601 **Grade 6+**

Roll up your sleeves and dive into a hands-on learning experience! You will learn how to safely and effectively use welding tools to create your own metal projects. Get ready to get your hands dirty and create something amazing!

### CSI:SANDBURG CKS.C21.600/601 **Grade 8-12**

Welcome to the world of criminal justice and forensic science through hands-on activities! You will get to investigate crime scenes, analyze evidence, and solve mysteries just like a real detective.

- [You can join from pt2](#)

### Fairy Tales; Redesigned CKS.C17.600 **Grade 3-6**

Help out tale characters through our STEM activities! Create an indestructible home for the three little pigs, a bridge for the gingerbread man, and more!

### College to Career CKI.C08.600 **Grade 8-12**

Prepare yourself for the next chapter of your academic & professional journey! Resume writing skills, communication, and how to handle digital dirt-all you need is in this session!

### Improv (Speech & Theatre) CKD.C00.600 **Grade 9-12**

You will develop your public speaking and performance skills through this class! Improv is the perfect place to let your imagination run wild and discover the joys of theatre.

### Percy Jackson & Mythology CKL.C00.600 **Grade 4-8**

What Greek God would your parent be? Find out that and more while talking about Percy Jackson! Read excerpts from the book, play games identifying different myths and Greek Gods, and create your own!

### Flower Bloom in Many Ways CKA.C01.601 **Grade 3-6**

Get ready to dive into a colorful world of flowers! We will provide all the materials and guidance to make fingerprint flowers, plant seeds, create flower pens, and design a beautiful flower collage. Join us for a flower-filled adventure!

### Canvas Painting CKA.C02.600/601 **Grade 3-6/K-2**

Get ready to dive into a colorful world of flowers! We will provide all the materials and guidance to make fingerprint flowers, plant seeds, create flower pens, and design a beautiful flower collage. Join us for a flower-filled adventure!

### Let's Be Creative CKA.C01.602 **Grade 3-6**

Let your creativity soar! Whether you're a seasoned artist or just starting out, there's something for everyone- from painting friendship rocks to designing paper bag books!

### Kids Run the World CKI.C27.600 **Grade 3-6**

Have fun playing different games, learning about nutrition, stretching and running at this fun session. You will learn how to fuel your body, run your best, and stretch and recover after a tough game.

### Art CKA.C00.600 **Grade 7-8**

Printmaking for beginners! During this session, you will create multiple monoprints and gelli prints. You will use found objects to make your one-of-a-kind prints. Bring your imagination and be ready to get messy with ink!

### Lux Blox CKA.C01.600 **Grade 5-8**

These amazing building blocks will allow you to build anything you can imagine, from towering castle to flying spaceships! Get ready to have a blast building and playing with Lux Blox!

### Edible Science CKI.C02.600 **Grade 3-6**

Do you love science? Do you love to eat? This is the class for you! Learn about Science while enjoying yummy snacks! Learn about states of matter, changes in Earth, and mixtures and solutions with food.

### Harry Potter STEM CKS.C02.600 **Grade 3-8**

Calling all wizards! Get sorted into your own house and explore the world of Harry Potter through STEM activities. We will make our own magic through science while exploring the wizarding world of Harry Potter.
