Start Your Transfer Experience

This transfer guide will help you plan courses at Carl Sandburg College that will meet general education and major-specific requirements at Western Illinois University. Work closely with your Carl Sandburg College advisor and your WIU Admissions Counselor when planning and selecting your coursework. Preparing well will ensure that you save time and money by taking courses that are required for your major.

Plan Your Community College Classes

Follow the steps below to plan your community college courses to match general education requirements at Western Illinois University. General education courses are a required part of your bachelor's degree.

Western Illinois University General Education Requirements

- 9 hours of English Composition & Public Speaking
- 10 hours of Mathematics & Natural Science
- 9 hours of Social Sciences
- 9 hours of Humanities/Fine Arts
- 3 hours of Multicultural Studies
- 3 hours of Human Well-Being

1. Locate each category of WIU general education requirements (listed above) in the degree requirements section of the community college catalog:

catalog.sandburg.edu/degreesprogramsandcertificates/

2. Select from courses in each category of the community college catalog:
 - a. Match your courses to the required credit hours for each corresponding WIU general education category.
 - b. Note your community college's requirements for each general education category.
3. Check the courses you have selected by contacting your community college academic advisor and/or your WIU Admissions Counselor.

Which Associate Degree Should I Choose?

AA

Associate of Art – Completion of this degree will satisfy WIU General Education requirements. This degree is designed to transfer and parallel the first two years of a bachelor's degree.

AS

Associate of Science – Completion of this degree will satisfy some WIU General Education requirements but does not guarantee all requirements will be met. This degree is designed to transfer into math & science-related majors.

AAS

Associate of Applied Science – Completion of this degree will not meet WIU General Education requirements. This degree is designed for direct employment, and is not designed to transfer.

Western Illinois University Major-Specific Requirements

Carl Sandburg College courses listed below fulfill general education or major-specific requirements for select majors at Western Illinois University. If your major is not listed, or for questions regarding how courses transfer to WIU, please contact your WIU Admissions Counselor. It is recommended that you complete these classes at Carl Sandburg College prior to transferring to WIU. Please consult your community college academic advisor to determine how these courses may apply to your Associate degree. Revised 6/2017

Art	ART 112, 113, 121, 122, 131, 132 Bachelor of Fine Arts majors also complete ART 133
Athletic Training or Exercise Science	<p>Athletic Training major: BIO 200 BIO 211 & 212 CHM 110 MAT 110 or 210 MAT 130 MDT 100 NUT 110 PSY 101, 221</p> <p>Exercise Science major: BIO 211 & 212 NUT 110</p>
