

POLICY 2.59: STATEMENT OF ECONOMIC INTEREST

Unless exempted by law, members of the board of trustees and college employees who meet the filing requirements of the Illinois Governmental Ethics Act will file a statement of economic interests with the county clerk by May 1 of each year.

If a board of trustees member or employee who is required to do so fails to file within the time required by law, any fines because of that failure are paid by the board member or employee — not by the college.
