

Carl Sandburg College strives to maintain a college community environment that fosters learning, encourages academic endeavor, and provides safety for students and all persons utilizing college facilities. In order to ensure the safety of children on the premises of the College, no child under the age of 16 shall be left unattended by an adult under any circumstances within any of the buildings and/or on any grounds of Carl Sandburg College.

Carl Sandburg College reserves the right to proceed in the most prudent manner possible to resolve violations of this regulation.

To enforce this regulation, college representatives may ask a parent or guardian to take immediate custody of his or her child, call campus security to help resolve violations, or refer matters of significant endangerment to the Vice President of Student Services or designee who may take further appropriate action to address the circumstances of the situation and to ensure the safety and well being of the child.
