

All meetings of the Board of Trustees will be open to the public except closed sessions as delineated in the Illinois Open Meetings Act. The public will be given an opportunity to address the Board at any regular official meeting in regard to any item. The Board does not obligate itself to receive or act upon new items introduced at a Board meeting and which are not on the regular agenda.

All requests from the public for consideration of any topic must be received by the chief executive officer of the College at least twenty-four hours, excluding Saturdays, Sundays, and holidays, before the meeting. The Board reserves the right to determine the amount of time for any and all public comments.
